Date issued: 17/12 /2014

Date expires: 17/ 6/ 2015

To whom it may concern,

Daniel Hanily of the group Together for Bairo Pite has been granted Authority to Fundraise on behalf of the Bairo Pite Clinic Program for AFAP using fundraising licence number 11868 in Victoria.

AFAP Action on Poverty and Bairo Pite Clinic work in collaboration with local communities to deliver development initiatives overseas. AFAP is committed to supporting effective development programs overseas and closely monitors all the work we undertake including initiatives undertaken as part of the Action on Poverty Partnership Program. Bairo Pite Clinic does not have DGR status in their own right and are relying on AFAP's DGR endorsed status by the ATO, therefore any donations to support the activities of Bairo Pite Clinic must be made through AFAP in order to be tax deductible. Whilst AFAP will endeavour to comply with the wishes of the donor, AFAP retains a discretion at all times whether or not to distribute donated property in accordance with the preference expressed by the donor. AFAP allows donated property to be used only for benevolent activities.

AFAP's mission is to be a leading agent for poverty alleviation through innovative and appropriate community-based development. AFAP supports Programs in Africa, Asia and the Pacific. Working in partnership with others is a key feature of our work. Our approach to development is twofold and focuses on:

- Strengthening and empowering local NGOs and community groups in developing countries so that they can better meet their own aspirations; and
- Supporting Australian groups through our Action on Poverty Partnership Program to provide innovative opportunities and professional support to Australians who want to become directly involved in supporting sustainable international development programs.
